A tutoring opportunity near your home.

"This is the most rewarding position I've ever had," says E. Thomas, Tutor

WHAT: North Coast Education Services tutors children and adults in their homes, or in a nearby public location. We also provide programs in schools.

WHEN: Set your own schedule Monday through Sunday, most hours are after school, evenings, and weekends. (*Tutor 4 to 20 hours/week depending on your availability, location and skills.*)

QUALIFICATIONS:

Bachelor's degree required for all positions. No prior teaching experience is required. Teacher licensure or certification, teaching experience and classroom management are a plus. NCES seeks committed instructors that are creative, flexible, sensitive, and patient.

PAY RATE:

\$18 to 21/hr - Depending on the subject, course and training required.

Available Tutor Positions

- # 1 Tutor reading (phonics, spelling, and comprehension), **writing and study skills**
Reading workshop training required
- # 2 Tutor basic Math (computation skills, math concepts, and word problems)
Math workshop training required
- # 3 Tutor high school math (high school algebra, geometry and calculus)
No workshop training required. You must know the subject matter, without needing to “brush up”.
- # 4 Tutor high school science (chemistry, physics and limited positions in biology)
No workshop training required. You must know the subject matter, without needing to “brush up”.
- # 5 School programs (SES) are currently being developed for the 2010-11 school year. This includes potential after-school programming as well as some day positions with on-line charter schools. More details will be given as they become available at the group interview and future CareerBoard postings. **Workshop training required in reading and/or math. We will have many students for this position.**
